

Jiangyin——江阴
just next to the Yangtze
River

amiee

The Yangtze River

park

方舱医院
Modular
hospital

- Ship Building Park
- factory--rebuilt into a park
- the place where ships come to the Yangtze River

- duckweed on pond
- algae in pond
- moss beside pond

- fruit be like grapes

- Ecology by the pedestrian track

- spiky bamboo

- pink flowers

- Reeds and flowers on the riverside

- garden

- fallen leaves floating on water

- parking lot ground
- bricks within mud

- surroundings
- construction site

- first surprised by its modeling
- look like a castle in Disney story

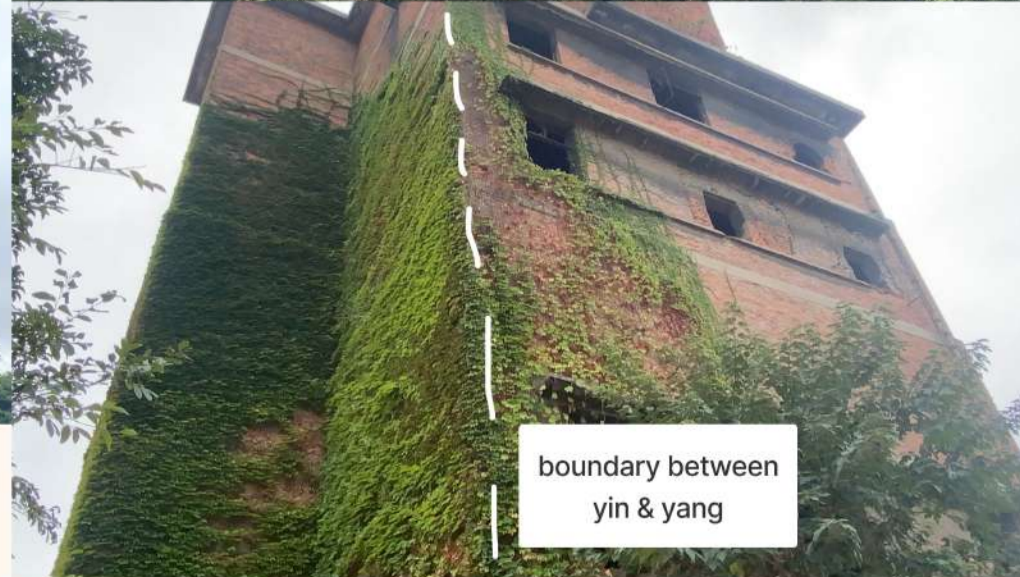

- old and new vines

- organic matter which is cased by air, water...

- sunny side
- amazing
- Nature can be like everything.

boundary between yin & yang

- dense leaves almost up to the top
- about 30m high

a well

• Moss on the rock wall

• cactus growing from the roof

• Pomegranate growing from cement floor

• backlight side
• signs of aging on walls
• moss

• crop beside house, maybe loofah?
• Wormholes in leaves

• Lianas across the house

• a nest being built
• tree growing from uninhabited house

• the ground

- Twisted climbing vines and telephone poles

- Intertwined nature and man-made things
