n ?

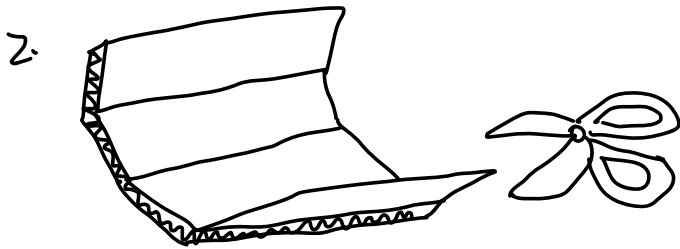

My TOOL

1. CUT THE MIRROR

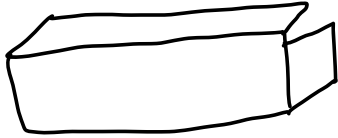

INTO
→

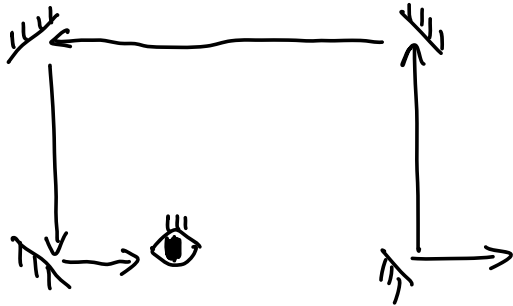

CUT THE HARD PAPER

↓ forming

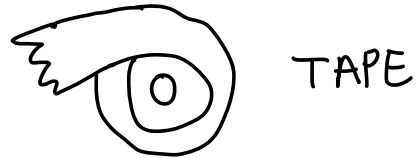

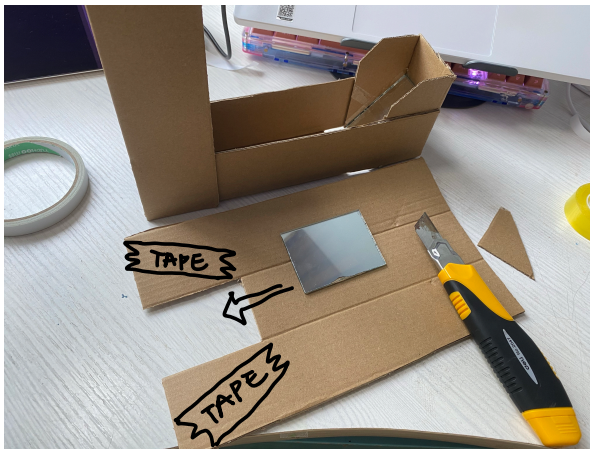

v

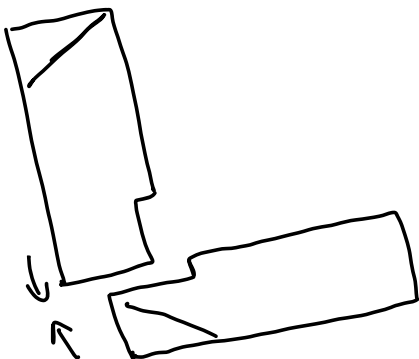

3. STICK THE MIRROR

HOW TO ARRANGE?

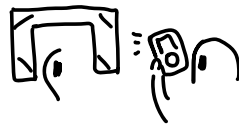

4. STICK TOGETHER

5. FINALLY

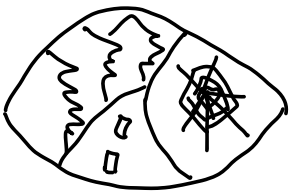

PHOTO

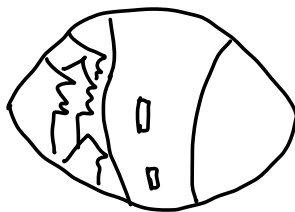

EXPERIENCE

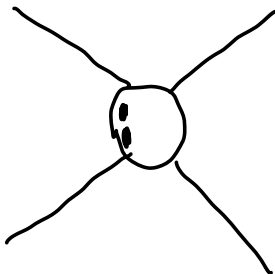

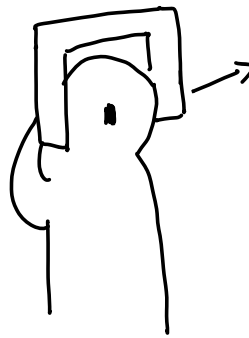

NOW MY EYESIGHT

FRONT

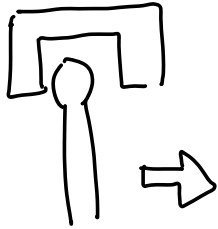

BACK

full directions

Prefer :

come close
from the back

A kind of security ?

= full of uncertainty

Maybe most people say. connect with nature :

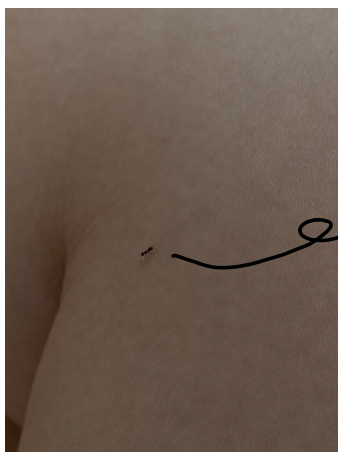

They expect

NOT

OTHER

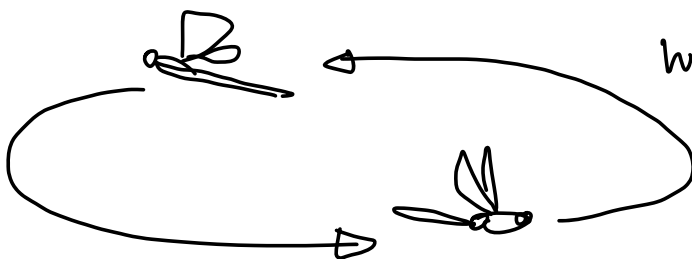

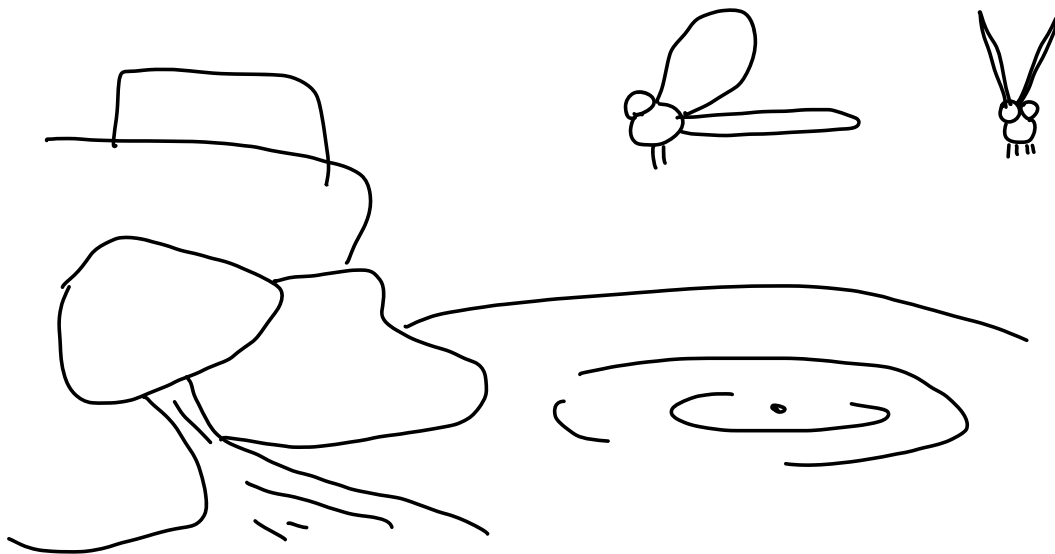

carrying my skin piece

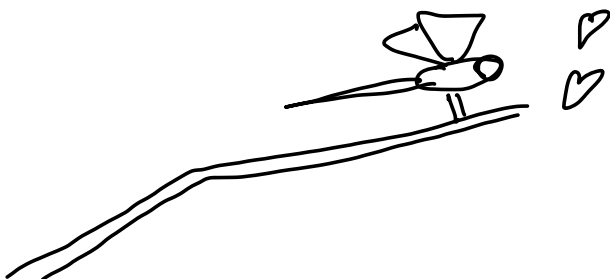

What am I to it?

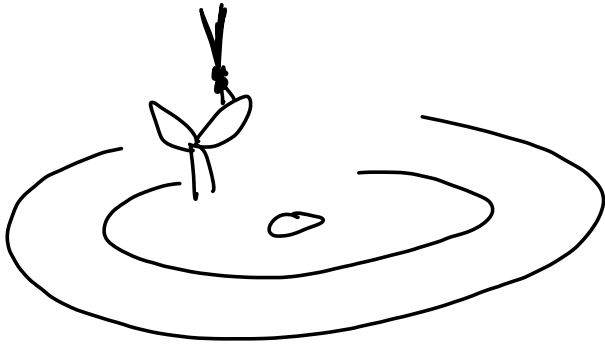

Very beautiful
dragonfly

Why are they chasing
each other?

prefer to stay on
branch above water

When above water.

don't stay too long?

Are they surprised by sth?

When stand still

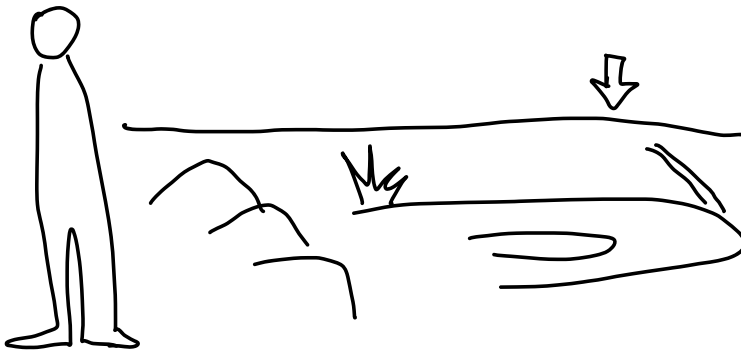

2 type

Are their wings like

cat tail

to show their mood?

low area.

Are they good?

rapid waterflow

" " swinging

why? enjoying the flow?

a shrimp
climbing on the stick.

Spider web.

I wonder :

do they clean their web?

or

do they create another?

↖ It's almost impossible to hide the net.
